PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 09/10/2015.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

3

Mandatory Condition # 5: The defendant shall not possess a firearm, ammunition, destructive device, or any other dangerous weapon.

Supporting Evidence: A review of a Yakima police report indicates the victim was interviewed on September 4, 2015, and the victim related Mr. Craig possessed a firearm during the summer of 2014, at which time he would have been on his initial term of supervision, which was ultimately revoked and terminated. He again possessed the firearm on or about August 6, 2015, when he sent the victim in his state matter, 15-1-01347-1, a text message photo of the firearm with a threat to commit suicide.

An agent with the Bureau of Alcohol and Tobacco, Firearms (AFT) spoke with the victim from Mr. Craig's state matter on April 27, 2018, and the victim again confirmed Mr. Craig had possessed the firearm and ammunition during August 2015, as evidenced by the text message photo received from him.
